

THE STYLE QUESTION ANSWERED FOR FALL

Again you face the problem of what to wear for Fall and must decide what garments to select in order that you may feel satisfied that you are most becomingly attired.

If you already know what WOOLTEX can do for you, this question will not bother you. You know you cannot make a mistake—that your new WOOLTEX Coat, Suit or Skirt will be just the right style for you—style that will wear as well as it looks and fit as perfectly as though cut to your private order.

Subjected to the Boiling Acid Test are all of the WOOLTEX Cloths. This absolutely insures their pure wool quality. The Silk and Satin Linings are all pure dye and guaranteed for two seasons. Stitching is all silk, fine stitches, insuring shape-retaining seams.

Interlinings Cut, Fitted, Sponged and Shrunk. The padding cloths and linings are all hand-moulded. A WOOLTEX garment cannot lose its shape until it wears out completely.

The WOOLTEX Skirts.—In their cut and fit few are so generously full and unskimping. The fit is a secret which resides in the scientific, accurate cut of the WOOLTEX tailors, who work on Skirts and nothing else the year around.

THIS MEANS YOU

DEAR SIR:—We wish to call your attention especially to the date of our Annual Fall Opening, which is Saturday, October 5th, and to extend a special invitation to yourself and family to attend on that date, or during the following week.

We have fully succeeded in keeping pace at every step in the wonderful improvements which have characterized the making of Ready Made Clothes for the past few years, and we may say, with perfect truth, that there is no better selected stock or assortment, even in the large centers of population, than that which we offer for your inspection this Fall.

To bear out this assertion we believe that it is sufficient to say that we are exclusive agents here for "Rosman Clothes," "Union made," the kind that are not faked into shape by the hot flatiron. You will find them most satisfactory for style, fit and wearing qualities. Their style is permanent, unlike a very large percentage of Ready-made or Custom-made Clothes.

You will find here a complete assortment of Shoes. We are sole agents for "King Quality" and "All America" Shoes for men, and we also carry a complete line of Shoes for boys and children. The celebrated "Walton Shoe" for boys and girls.

Our line of Hats and other Furnishings is exceedingly attractive and very low priced, considering the qualities offered.

Remember this store is conducted on a strictly one price basis. Every article sold must be as represented or we will cheerfully exchange or refund the money. Hoping that you may find time to attend our Opening Saturday, we remain yours truly,

Queen Quality

We want you to see the new Shoes we are now showing. Never were Shoes handsomer, better fitting nor comparable with them for real value. It is logical that "QUEEN QUALITY" Shoes outsell all other Women's Shoes in the world. An intelligent public is looking more and more to big trademark names for security. Can the maker afford to stamp "QUEEN QUALITY" on any Shoe that would discredit the make? You know it stands for your protection. Prices \$3.00, \$3.50 and \$4.00.
